metal structure for a video performance with Paula Anke

bar stools

armchair

chimney, wood stove and owls

Paul Duc, born in 1952 in Montpellier started studying Architecture, but then turned to more manual and mechanical occupation.

He obtained great skills in metalworking and iron design.

He had built up with the artist Paula Anke an Art Hostel for residencies and travellers in Le Vigan, France.

Paul was for almost twenty years the assistant of the innovating french artist Jeanne Gerardin.

Also he has been involved in the building of the Camaro-foundation in Berlin.

His working is composed of unique metal pieces, metal furniture and work with other artists.
